Laura will be organizing the advertising and signs and balloons will be put at the end of each row directing traffic to each yard sale.

All you have to do is let Laura know so that she can put up the balloons and advertise any large items you may have and then you can set up your table or yard for the sale on May 30th!

Gather your things for the sale and call Laura at 693-6802!

### Be Bear Aware!

The bears have woken up and are wreaking havoc in the park. Keep your property safe by not storing food in containers or freezers on your deck or in your storage shed. The bears can smell the food!

Also remember to put out your garbage in the morning. Phone 1-800-663-9453 to report bear sightings.

### Yard Waste Pick-up

CRIMP bags must be used and branches tied. Any non-recyclable bags will not be picked up. Pick-up 1st Monday of each month.

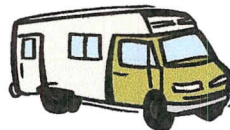

### Car Covers

The snowy season is over! Time to take down the tent and stick-built car covers for the season.

#### Reminder

All dogs need to be leashed when out and about, and don't forget to clean up after them!

### RV Storage Compound to Open May 1!

Yes, it will finally be open! RV's will be taken on a "first come, first parked" basis. All vehicles must be registered with management and insured. The fee will be \$20.00 per month. If you are interested, please contact Darrell and put your name on the list!

### Last Call!

Unidentified and non-registered items currently in the RV compound will be removed.

### Mail Service

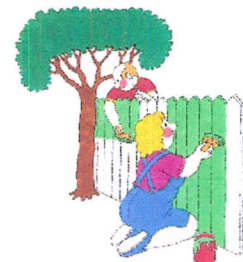

If you would like to have your rent cheque mailed for you, just bring it to Darrell by the 25th of the month and he will mail it.

### Home Site Clean-up

This Spring it is time to get all homes up to the standards of the park rules. Some things to consider for your site in addition to removing RV's, unlicensed vehicles and car covers are:

- \* materials such as boxes, construction materials, car parts, old appliances or misc items cannot be stored around the perimeter of the lot, must be stored out of site or removed.
- \* landscaping must be in good repair, neat and clean, sanitary and attractive
- \* tow hitches should be removed or covered
- \* all wooden surfaces must be painted
- \* all homes should display their unit number

### Improvements

Installing a deck, addition or new fence? See Darrell for the paperwork! All improvements need park approval to ensure we are within the park and municipal by-laws.
