FALL YARD SALE!

The Fall Yard Sale has been scheduled!

September 12 is the day, time to get ready!

Laura will be organizing the advertising, and signs and balloons will be put at the end of each row directing traffic to each yard sale. All you have to do is let Laura know so that she can put up the balloons and advertise any large items you may have and then you can set up your table or yard for the sale on September 12th!

Gather your things for the sale and call Laura at 693-6802!

Volunteers to help would be appreciated!

Rent Payments

Rent payments for September 1 can be delivered to Unit #93 instead of mailing. We will be on site at that time to receive the payments. Please do not mail them.

Park? What Park?

It seems some Residents are not aware that Whispering Pines has a park! We invite you all to have a walk and check it out. You can get there by walking to the end of "River Road" past #109 where there is a walking path down to the park. Or, at the end of the main road past #95 onto the gravel path and toward the left.

It is beautiful there, an great place for a picnic or for the kids to play!

Would you like to get involved in a Park Committee? Do you think Whispering Pines should have a park committee?

The committee would be a group of approximately 5 residents that would organize fun events for our community as well as hear concerns from residents and act as a liaison with management.

If you would like to be involved or are in favor of having the committee please let us know by telling Laura at 693-6802 or Donna at 604-857-1563

Be Bear Aware
